# Stricken Mahalia is flown home

CHICAGO — Gospel singer Mahalia Jackson arrived here Friday aboard a U.S. military medical evacuation plane from Frankfort, Germany.

She was taken immediately to the private Billings General Hospital by her personal physician, who met her at the airport.

Miss Jackson had been hospitalized in Munich since Sept. 25, and was flown to Frankfurt, where she spent the night in the Army's 97th General Hospital.

* * *

Miss Jackson, 60, suffered severe chest pains in the middle of a six-week concert tour of Europe. She entered the U.S. Army Hospital in Munich and military doctors diagnosed coronary artery disease with angina.

The hospital said the singer had a history of heart disease.

She had to be transported on a stretcher Thursday and was flown home that way. But an Army spokesman said her condition was "very much improved."

# Letters To The People

Dear Neighbor Michael X Woods:

Here are a few thoughts concerning your article "Food for the Mind."

The Bible teaches that there are two kinds of food that feed us - one: Truth, which makes us free and leads into life; two: Lies, which keep us in bondage and lead from death to death.

Jesus Christ announced "I am the Truth" ( John 14:6 ); not only so, but Jesus Christ stated "Before Abraham was, I am" ( John 8:58 ). Jesus Christ also stated that Abraham knew and believed Christ - saw the day of Christ - and was glad!

Now, the Jews who also said that Abraham was their father ( Like the Muslims ) had this conversation with Jesus.

Jews ( or Muslims ): Are you greater than our father Abraham, which is dead? and the prophets are dead: whom makest thou thyself? ( Who do you claim to be? )

Jesus: If I honor myself, my honor is nothing: it is My Father that honors Me: of whom you say, that he is your God: yet you have not known Him but I know Him and If I should say 'I know Him not' I shall be a liar like unto you. But I know him and keep his saying. Your father Abraham rejoiced to see My day: and he saw it and was glad.

Jews ( or Muslims ): You are not yet 50 years old and have you seen Abraham?

Jesus: Truly, truly I say to you, before Abraham was I am. AND YOU SHALL KNOW THE TRUTH AND THE TRUTH SHALL MAKE YOU FREE.

Jews ( and Muslims ): We are Abraham's seed, and were never in bondage to any man: how do you say 'you shall be made free?

Jesus: Truly, truly O say to you, whosoever commits sin is the servant of sin, and the servant abides not in the house forever, but the son abides ever. If the Son therefore shall make you free, you shall be free indeed.

I know that you are Abraham's seed: but you seek to kill me because my word has no place in you. I speak that which I have seen with my Father and you do that which you have seen with your father.

Jews ( and Muslims ): Abraham is our father.

Jesus: If you were Abraham's children you would do the works of Abraham. But now you seek to kill me. A man that has told you the truth which I have heard from God - this did not Abraham. You do the deeds of your father.

Jews ( and Muslims ): We be not born of fornication, we have one Father, even God.

Jesus: If God were your father you would love me, for I proceeded forth and came from God, neither came I of myself, but he sent me. Why do you not understand my speech? even because you cannot hear my word. You are of your father and the devil and the lusts of your father, you will do. He was a murderer from the beginning ( slew Adam and Eve ) and abode not in the truth because there is no truth in him. When he speaks a lie, he speaks of his own (seed) for he is a lier and the father of it ( lies ) and because I tell you the truth you believe me not. HE THAT IS OF GOD HEARS GOD'S WORDS: you, therefore, hear them not because you are not of God.

Then the Jews ( and Muslims ) proved Jesus right by doing the works of their father ( the murderer ) and they took up stones to cast at him. Please note that Jesus seeing the hatred in Him. Please note that Jesus seeing the hatred in their heart told them in verse 37 "You seek to kill Me." This same Christ says "He that loves not his brother abides in death. "Whosoever hates his brother is a murderer and you know that no murderer has eternal life ( God ) abiding in him. ( I John 3:14 ).

Roman's 3:10-13 - The Holy Spirit records THERE IS NON RIGHTEOUS! ( Not even black people? Lord? The Black Muslims say that all black people are righteous. ) There is none righteous: no, not one.

I pray that soon ( today? ) I may be able to call you brother. Right now you are not because God is not your father. You must be born again: EXCEPT A MAN BE BORN OF WATER ( the living Word ) AND OF THE SPIRIT, HE CANNOT ENTER INTO THE KINGDON OF GOD. John 3:5.

Dear Lord, open this man's ears, eyes and heart that he too may receive life through Christ. Amen.

## WALCOTT ELECTED SHERIFF

Jersey Joe Walcott, former world heavyweight boxing champion, is all smiles as he receives congratulations over the telephone after being elected county sheriff of Camden, New Jersey, in Tuesday's selection. Walcott, whose real name is Arnold Cream, became New Jersey's first black sheriff. He won the heavyweight title in 1951 from Ezzard Charles.

## Telephone directory in Spanish

NEW YORK — More than 200,000 copies of a Spanish-language telephone directory for the city, carrying Spanish commercial and residential listings almost exclusively, are being distributed to the city's Spanish-speaking phone subscribers.

One of two foreign-language phone books in the United States — both published by a small Elizabeth, N.J., concern founded by two Cuban refugees — the directory is called "New York en Sus Manos," (New York in Your Hands).

## Prison farm gets new head

ATLANTA — Police Capt. C. D. Hudson was named to head the sprawling City Prison Farm by Mayor Sam Massell.

The prison farm has come under fire from aldermen and Franklin Thomas, personnel director, recently for poor administration. Massell said Hudson's appointment comes "to strengthen the administration."

Hudson becomes the city's third non-white department head. Thomas was the first followed by Pelham Williams, who took over the Public Works Department earlier this year.

Hudson is a law school graduate and was the first non-white to graduate from the Southern Police Institute at Louisville, Ky.

# Rap Brown Says No; Cops: Yes

RAP BROWN

NEW YORK — Where was Hubert Geroid (Rap) Brown hiding for the past 18 months?

Was he in New York, Philadelphia, St. Louis or Chicago?

His hiding place has the police and the FBI puzzled.

Rap Brown who is being guarded around the clock by the police insists that he is not Rap Brown, although his school teacher wife and other relatives visit him. The patient who was shot twice in his stomach by the police insists that his name is Roy Williams.

Brown did a vanishing act a day before he was scheduled to go on trial at the Bel Air, Md. court to stand trial of counseling to arson, and inciting to riot. He was last seen in the Esplanade Gardens on Seventh Ave., where he lived with his wife, their child and his mother-in-law.

He reportedly fled to Europe and the FBI placed him on its most wanted list. When he allegedly showed up on the morning of Oct. 16 with Sam Petty, 23, Levi Valcentine, 24, and Arthur Young, 26, former members of the Black Liberators, at the Red Carpet Lounge, 173 W. 85th St., which they reportedly held up, his supporters were caught by surprise.

His supporters refuse to believe the indentification made by the police and William Kunstler, who represented him in several cases, said the man in Roosevelt Hospital did not look like Rap Brown. Last Wednesday Rap Brown was arraigned in the hospital by Justice James M. Yeargin, who held him in $250,000 bail and appointed Kunstler to represent him.

The three men who reportedly accompanied him in the stickup are also being held in a total of $300,000 bail. The three are also wanted in St. Louis. Each man has previous arrest records.

One of the policemen, who cornered Rap Brown on the roof of the 12-story building at 102 W. 85th St., said Brown froze with a gun in his hand when the police reached the roof. The police hit him with two slugs in his stomach and he was captured.

Police who charged the four men with the illegal possession of guns, robbery and attempted murder and assault said reports that the four engaged in stickups of after hour clubs and crap games are unfounded since no one has come forward with a complaint.

Rumors that the four had held up clubs and business establishments in Philadelphia have also been unfounded, and, if they were hiding out in New York, no one knows where.

Assistant District Attorney Stephen Sawyer will present the case against Brown and the three men to a grand jury next month. In the meantime, Brown continues to say his name is Roy Williams, a native of Alabama but his fingerprints say he is Rap Brown, according to the police.

## Police scandal jumps continent

LOS ANGELES (UPI) — The Hollywood Detective division of the Los Angeles Police Dapartment has been under investigation for six weeks and Chief Ed Davis has indicated it may involve a major scandal.

"A major investigation has been going on for over six weeks" involving "possible misconduct of officers," Davis said.

The division is the subject of an intensive administrative audit, and personal files in the station house lockers have been impounded, Police Commander Peter Hagan said.

The commander of the Hollywood detective Bureau, Capt. Wesley Witaker, was relieved of command last week and reassigned to administrative duties.

CHILDREN'S ART — Lino print based on Yoruba, Nigeria, one black double face with wide brown matting, on display at "The Children Speak" Art, The Talking Theatre Drama Section, division of Education at Carnegie Institute. This work of art was done by 10-year-old Jose Mercardo.

## Third week war dead under ten

SAIGON — Six U.S. servicemen were killed in combat in South Vietnam last week and a seventh in Laos, the U.S. command said. It was the third consecutive week the death toll was under 10.

Another 84 Americans were wounded in action in Vietnam last week, spokesman said, and 32 died in so-called "nonhostile" incidents.

The seven combat deaths pushed the number of Americans killed in action in nearly 10 years of fighting in Vietnam to 45,584, the U.S. Command said.

U.S. wounded since Jan. 1, 1961, total 302,104, the command said. A total of 9,860 U.S. servicemen have died on "nonhostile" causes.

**Get Your Back Up!**

While most of us spend hours working on our hair, our cosmetics, our wardrobe, our figure, most of us also fall into what I call "the beauty slump." The reason—we have too little concern for good posture — the one beauty asset that can make us appear prettier, sexier, taller and thinner, not to mention healthier, too.

Watch those curves! Stand erect with heels against the baseboard of the wall. Pull your shoulders back and down, tighten your tummy, tuck in your behind and flex your knees. Back and bottom should be against the wall. There. That's how you *should* stand. Now relax into your normal posture. Aching and appalled at the difference? Of course. Bad posture weakens the muscle tone because it makes it harder for your back to support the upright weight of your body.

Practice and watch your posture constantly — not just when you're conscious of others watching you. Sleep on a good, firm mattress. And give your back a rest. The best way is to relax in a luscious tub filled with bath salts or bath oil. Then cream your back nightly with a refreshing after-bath moisturizer to keep it smooth. Do stomach and back exercises, particularly toe touches and sit-ups, slowly, smoothly without jerking. To strengthen your back lie on stomach, hands clasped behind neck, elbows to side. Raise head, elbows, chest, knees off floor, keeping legs straight. Hold for a count of five. Repeat four or five times the first week; then add gradually. Practice all this and you'll soon feel and look as pretty and poised as a model!

Mrs. Wesley, We pause here today,
to thank you for the many things
you have done along the way.

It's never too soon, nor too late,
to remind you of some happenings
or tell you the date.

Your church comes first,
and that is clear,
for we all know
you hold it dear.

You never get tired of doing your share,
and for Shiloh Church,
you would go anywhere.

To Conventions, why that's no big deal,
for you have traveled
for many many years.

Your faithful service is appreciated here,
for talking with you brings one much cheer.
You never forget of Monday's you see,
for you remind us of the NAACP

You talk to everyone you meet,
both in the home and in the street.
We are grateful for the service you give,
although sometimes you are crushed
almost to tears.
But you do not let this hold you down
for you steady rise - round by round.

We must not forget the Eastern Star,
for this too, is dear to your heart.
We pray God's blessings upon you
for many years to come
and we are thankful to you

So just keep on working,
for the Lord has much more for you to do
and keep the faith and courage
and God will lead you through.

# HYPNOSIS

DO YOU FEAR IT?
DO YOU BELIEVE IT?
DO YOU UNDERSTAND IT?

A series of informative lectures on the facts and values of hypnosis will be presented in the greater Tacoma area. The fast growing acceptance and popularity of hypnotism, as a method of achieving a more fulfilling and healthy way of life, has made it necessary for public education programs. These lectures are designed to help eradicate the misconceptions and honestly and openly answer all questions in relation to the art and science of hypnotism and the state of hypnosis.

These lectures will be conducted by Mr. Edward Zehner, director of the Hypno-Analysis Clinics of Washington and Administrator of the Washington School of Professional Hypnosis. Mr. Zehner is on the Board of Directors of the Northwest Society of Professional Hypnotists and author of "Hypnosis and You." He has lectured extensively to the public on this subject and at many of the schools and colleges throughout the area.

If you have a curiosity, or doubt, as to whether hypnosis can help your problem, or state of well being, you will greatly benefit by attending. These lectures will prove to be very interesting and informative. The time and places of these "FREE LECTURES" are listed below.

EXTRA! EXTRA! COME REVIEW THE REVIEWER ! ! !

Lakewood Player's President John Clapp invites all members, Season Ticket holders and Fans-in-general to make a special effort to see THE OWL AND THE PUSSYCAT performences remaining, November 5 and 6 - compare YOUR views with those of the T.N.T.'s reviewer in the October 23, 1971 issue !

We can readily see the difficulty of reviewing a community theatre production - if the critic says everybody was just great, he may be lying in his teeth, or just plain ignorant, or he may really mean it! Often, his review is the deciding factor in a patron's calling for reservations to see the play.

It is this last point that can really hurt the community theatre's Box Office, which is a very tender spot, just as it is in the professional theatre. As a result of the afore-mentioned review 12 seat reservations were cancelled and unpaid-for on the Oct. 23 performance of OWL AND PUSSYCAT.

We think that community theatre is a place where people can participate, do their Thing to the best of their ability, which includes acting, directing, and being an audience-do your own criticizing! Our members do this as an affirmation of the growth principle: Participate or Perish! We don't want Lucy to call us wishy-washy Charlie Browns! We urge you to come, see for yourself. Vive Voltaire!

This is the kind of art Kazantzakis was writing of when he said, "Art is,..a magic incantation. Obscure homicidal forces lurk in our entrails, deadly impulses to kill, destroy, hate, dishonor. The art appears with its sweet piping and delivers us." This is an approach that we consistently find in Peanuts:

(From the book The Parables of Peanuts, by Robert L. Short.)

TWANG!
OH, GOOD GRIEF! NOW HE'S ROBIN HOOD!
IF HE SEES A MOVIE ABOUT SKIN DIVING, HE PLAYS SKIN DIVER FOR WEEKS! IF HE SEES A COWBOY MOVIE, WE HEAR NOTHING BUT SHOOTING!
IF HE SEES A MOVIE ABOUT MOUNTAIN CLIMBING, THEN HE'S CLIMBING UP ALL THE FURNITURE!
WHY DON'T YOU TAKE HIM TO A MOVIE ABOUT ALBERT SCHWEITZER?
TWANG!

# ELECTION ANALYSIS
## POOR TURNOUT, BUT SOME SURPRISES

Despite some local commentators remarks, the elections on Nov. 2 were not the most boring or apathetic in years. It's true that, if anything, voters stayed away from the polls in record numbers but the final tabulation produced a few surprises, introduced some new faces to the City Council, and left some candidates wondering just what they had done wrong.

Certainly the most exciting race centered on Position 2 for the City Council. There incumbent Arnold Herrmann was nearly unseated by a youthful challenger from Pacific Lutheran University - Timothy Strege.

After the regular ballots were counted, Herrmann had polled 15,715 votes to Strege's 15,564. As required by law in such close races, Pierce County Auditor Richard Greco ordered a recount and went on to await the counting of several thousand absentee ballots. It was clear that a decision would hinge on those votes.

As it turned out, Herrmann managed to keep an ever-diminishing lead and finally won 16,394 to 16,285.

Later, the two candidates spoke warmly of their campaigns and -- surprisingly in politics -- each other. Herrman was to praise Strege's "clean and fair" campaign. He said it meant that the newly enfranchised 18, 19, and 20-yr. old have to be taken into account as a political reality. The 19-yr. old Strege promised to keep active in local politics.

In Council Position 3, Harold Moss went on to become Tacoma's first elected black councilman. Moss, who had been serving an appointed term on the Council after that body found itself with five vacancies following last year's heated recall movement, scored heavily in the primaries and then kept his campaign in high gear for the final effort. As he informed the TACOMA FACTS on election night, his biggest worry was the possibility that his primary victory would breed a "rest-on-your-laurels" attitude that could cost him the final voter approval. But his 17,947 to 14,073 tally over Jack Gamble showed this did not result.

The voters brought two other new faces into the Council in positions One and Six, where candidates George M. Nalley and Dick Sonntag each overcame strong opposition to win their prized seats.

Nalley waged a determined and successful uphill battle after the primaries in which he placed second to architect Robert Evans to come up with a decisive edge over his rival. Sonntag, who formerly wrote a column in THE TACOMA FACTS, faced some early campaign mudsligging from right-wing commentators on a local radio station ( the sort of thing none of us here in Tacoma like to talk about, but all of us must face ) to come out with an impressive four thoursand vote margin over his rival Terry Conner.

In the Special Election for bonds for parks and a City-County building parking lot, voters expressed their fiscal uncertainty in voting all three measures down. While the measures might have been for otherwise commendable purposes, the voters seemed to be saying that in these troubled economic times caution on any new expenditures must be the order of the day.

## Take Me In Your Arms

**Miss Heroin**

So now Little Man you've grown tired of grass,
L.S.D., acid, cocaine, and hash.
And someone pretending to be a true friend
Said, "I'll introduce you to Miss Heroin."

Well Honey, before you start fooling with me,
Just let me inform you of how it will be.
For I will seduce you and make you my slave.
I've sent men much stronger than you to their graves.

You think you could never become a disgrace
And end up addicted to popppy seed waste.
So you'll start inhaling me one afternoon;
You'll take me into your arms very soon.

And once I have entered deep down in your veins,
The craving will nearly drive you insane.
You'll need lots of money (as you have been told)
For Darling, I'm much more expensive than gold.

You'll swindle your mother and, just for a buck,
You'll turn into something vile and corrupt.
You'll mug and you'll steal for my narcotic charm,
and feel contentment when I'm in your arms.

The day when you realize the monster you've grown,
You'll solemnly promise to leave me alone.
If you think that you've got the mystical knack,
Then, sweetie, just try getting me off your back.

The vomit, the cramps, your gut tied in a knot,
The jangling nerves screaming for just one more shot.
The hot chills, the cold sweat, the withdrawal pains
Can only be saved by my little white grains.

There's no other way, and there's no need to look;
For deep down inside, you will know you are hooked.
You'll desperately run to the pusher and then,
You'll welcome me back to your arms once again.
And when you return (just as I foretold!)
I know that you'll give me your body and soul.
You'll give up your morals, your conscience, your heart,
and you will be mine until DEATH DO US PART.

UNIVERSITY OF PUGET SOUND

To help promote spirit and interest for the last University of Puget Sound home football game, Saturday, Nov. 13, Angel Flight, the Air Force ROTC Auxiliary group, is sponsoring a "See Your Favorite Cheerleader Kiss a Llama" contest.

Students will vote for their favorite cheerleader by purchasing 10¢ tickets from Angel Flight members, from a booth set up in the Student Union Building during the week of Nov. 8-12, or during the first quarter of the UPS vs Willamette game. The 2 cheerleaders, one girl and one boy, who get the most votes will give Bimbo the llama a kiss.

According to Ginny Claussen, Commarder of the UPS Angel Flight group, "Bimbo is so good natured and friendly, especially if you pet him and feed him cookies--then he's your friend for life! Pointing and laughing is not recommended as he has very good aim."

Angel Flight will provide the cheerleaders with plenty of cookies to coax Bimbo.

The llama is owned by Captain Timothy L. Mitchell, Angel Flight adviser.

Proceeds will help send a delegate to the National Angel Flight Conclave this March in Dallas.
